

Nursery Curriculum Overview

Geography

- Looking at how harvest/christmas is celebrated in other countries
- Looking at other European countries, can we find them on the map

History

- Talking about significant events in their own lives such as birthdays, Christmas and memories they have.
- Looking at Christmas, when did we begin to celebrate it and why?

Science

- Looking at textures of different materials
- Talk about some of the things they have observed such as plants, animals, natural and found objects.
- Bread making, why does the bread rise, what is yeast?
- Fizzing potions, what happens when we add bicarbonate soda to vinegar?

ART

- Exploring how colours can be changed.
- Beginning to understand that they can use lines to enclose a space, and then begin to use these shapes to represent objects

MFL

- Greetings in French
- Colours red, blue and yellow in French

DT

- Learning to use a variety of construction materials.
- Learn the use of tools such as scissors, paint brush, glue spreader.

RE

- Christianity, Judaism

Music

- Singing familiar songs
- Joining in with dancing and ring games
- Look at the way instruments sound.

Computing

- Learning how to operate simple equipment, e.g. turns on CD player and uses remote control.
- Looking at technological toys with knobs or pulleys, or real objects such as cameras or mobile phones.

PSHE

- Playing in a group, extending and elaborating play ideas
- Looking at what friendly behaviour is, initiating conversations and forming good relationships with peers and familiar adults
- Talking about our feelings and how we manage them.
