

## Nursery - Planned work for school closure Summer 1 2020

Subject	What to complete	Resources to support you
<p data-bbox="91 339 360 387">Daily Reading</p> 	<p data-bbox="640 339 920 443">Home reading books.</p> <p data-bbox="640 520 999 978">Sharing books with your family. Reading in the garden, make a den and read inside it and don't forget a story at bedtime!</p>	<p data-bbox="1046 339 1834 387">Available from school if you can collect.</p>
<p data-bbox="91 997 248 1045">Writing</p> 	<p data-bbox="640 997 1016 1463">Can children complete a spring diary. Can they draw pictures of what they have seen in the garden and whilst out on a walk. Can they tell</p>	<p data-bbox="1046 997 1350 1045">Diary provided.</p> <p data-bbox="1046 1417 1509 1465">Name writing template.</p>

you what they have drawn?  
Maybe you could go on a bug hunt and see how many different bugs you and find.

Practise name writing. Can children form recognisable letters?

## Daily Phonics

Small Square Alphabet and Punctuation Cards  
These cards are ideal for children to learn to write each letter and their sounds.

Can children recognise the phonic sounds?  
Can they have a go at forming them?  
Do they remember the Jolly Phonic rhyme?

Jolly Phonics can be found via Youtube.

Use a tray full of sand, rice or flour. Children to use their fingers to form the letters?

## Daily Maths

Can children count to 10? Can they count past 10? Can they count in different ways? By counting jumps, hops, claps and pats? Can children count objects like lego or building blocks? How tall can they build a tower? Can they match the number to the quantity?

What shapes can you see around the house and garden? Are they 2D or 3D shapes? What shapes have you

	found?	
<p>PHSE - All about me!</p> 	<p>Discuss things that make you special and unique. Design and poster and show things about yourself. Discuss emotions and how you feel.</p>	<p>Really focus on positives. Let your child draw and tell you all about things that they have achieved and what they have enjoyed achieving the most. Use lots of positive language and encouragement.</p>
<p>PE</p> 	<p>Keep active during this time away from school. Play lots of ball games, hide and seek, bike riding (during your daily exercise time) and don't forget "Go Noodle" and Joe Wicks.</p>	<p>Go Noodle dances can be found via Youtube.  Joe Wicks can also be found via Youtube everyday too!</p>
Music	Have a go at	

making your own musical instruments by using junk boxes and tubes. What noises do they make? Can you play a tune and enjoying singing nursery rhymes and song?
