## Passport of skills

Name: \_\_\_\_\_

Example of a completed Passport.

A 'passport of skills' is a way of recording experiences and activities that enhance a child's core curriculum learning. This is something that usually happens through observations and continuous provision in school but due to COVID 19 we are unable to complete these so we would like to ask you to record your observations and activities on the blank Passport of skills on the website. Any problems or questions please email

[r.williams@hayesmeadow.staffs.sch.uk](mailto:r.williams@hayesmeadow.staffs.sch.uk)    or    [n.morgan@hayesmeadow.staffs.sch.uk](mailto:n.morgan@hayesmeadow.staffs.sch.uk)

There is no rush to complete this, once you have completed it though you could email it us or keep it until we are back in school. Children will then be able to share these with their friends and teachers as part of their transition back into school.
