5th January 2021

Dear Parents/carers

We are currently in the process of organising which children are eligible to come in to school under the critical worker status and vulnerable pupil criteria. The Government have stated that where possible children should stay at home to reduce the numbers of pupils in school. We will therefore only be offering the places to pupils who qualify on the days which parents/ carers are working. For example if you work shifts/ rotas we would ask that you only send your children in to school when you are working.

To help us with this we would like parents to complete the information below and send this via email to headteacher@hayesmeadow.staffs.sch.uk or office@hayesmeadow.staffs.sch.uk stating whether you qualify and when you would require your child to be in school.

Breakfast Club and After School Club are planning to be open as usual but again we need to know which parents/ carers are going to be using this provision.

Please could you email the responses by 1pm today to enable us to contact everyone in preparation for opening tomorrow.

Many thanks

.....
