'Be the Best We Can Be'

## Newsletter

1<sup>st</sup> March 2019

### Team Points

Well done everyone!

Team point totals this week are; Red Team=201; Yellow Team =257;  
Blue Team=188; Green Team =182.

### Headteacher's Awards

N	R	Y1	Y2	Y3	Y4	Y5	Y6
Daytona	Sinaed	Ajay	David	Nicolas	Maisie S	Charlie	Martha

### Stars of the Week!

Today in assembly the teachers gave out special 'star of the week certificates' to the children to celebrate their fantastic work and achievements! Their work or certificate will appear on our celebration board in the hall this week. Well done to all our stars!

### Year Five Learn about the Sedar Meal

We have been learning about Passover. We have also been learning about what the Sedar Plate was for. The celebration Passover is all about the story of Moses. Everything on the plate has a story meaning behind it.

by  
Annie Year 5

### Year 4 Dragon Dancing workshop

As part of their learning project about China Year 4 had a fabulous Dragon Dancing workshop on Wednesday!

**Pancake Day** – there will be a special meal on Tuesday 5<sup>th</sup> March. It will be sausage, mash and gravy or Staffordshire oatcakes with cheese with carrots and sweetcorn. For dessert there will be a choice of pancakes, yoghurt or fruit platter.

**Poet visits Hayes Meadow**

On Tuesday Andy Tooze visited Hayes Meadow. He brought with him lots of his own poetry and entertained us all day with his poems. The children thoroughly enjoyed working with Andy and creating their own poetry. They then shared some of these poems in a whole school assembly at the end of the day. We were very impressed with all of the poems that the children created, here are just a couple of examples.

**Inter-Galactic Games by Alex Year 5**

Aliens rushing to the inter-galactic games  
 Rushing for fun through meteor rains.  
 Footballs going everywhere  
 Everyone wanting their share,  
 Of the inter-galactic games.  
 Tennis rackets rushing through the sky  
 Aliens working their gooey thighs,  
 In the inter-galactic games.  
 Aliens rushing at supersonic speeds  
 Through black holes and trying to breathe,  
 At the inter-galactic games.  
 Aliens rushing to the inter-galactic games  
 Rushing for fun through meteor rains.

**What is the sun like? By Bobby**

How hot is the sun?  
 Is it hotter than a kettle?  
 Is it colder than Saturn?  
 Or is it colder than metal?  
 How good is the burning pattern?  
 Maybe it's not even hot it could be cold?  
 I can't wait to explore!  
 All we know is that the sun is bold!

**Earrings**

Our school policy states that earrings must be removed for PE. We would therefore kindly request that parents/ carers allow their children to have their ears pierced in the summer holidays so that this does not impact on their PE in school. Children will not be allowed to cover their ears with plasters or tape. If children have their ears pierced during term time they will not be able to take part in PE sessions until they are able to remove their earrings. Please ensure only stud earrings are worn in school.

**Dates for your diary**
