### Stars of the Week!

Today in assembly the teachers gave out special 'star of the week certificates' to the children to celebrate their fantastic work and achievements! Their work or certificate will appear on our celebration board in the hall this week. Well done to all our stars!

### Creaturama

All of the children in school have had a fabulous week creating creatures from 'Out of This World!' with Anthony James.

Thank you to parents in Nursery, Reception, Year 1 and 2 who came in to help your children.

### Year 6 Netball Match

Yesterday Y6 went to the Hart School for a mini netball tournament. They played 3 games and won their final game 3-0! Their support for each other was fantastic, their enthusiasm and sportsmanship was something to be very proud of! A credit to Hayes Meadow! Well done Mckenzie, Alex, Leo, Imogen, Macey, Ashlea, Sophie and Maddie.

### KS2 Cross Country

On Wednesday 20<sup>th</sup> March, 3 teams (from Years 5 and 6) took part in a cross country competition at The Hart School. Although we did not qualify for the next stage, we are immensely proud of the effort, sportsmanship and the determination the children showed in their races. Approximately 60 children competed in each race, and our children gave their absolute all. A huge well done to Mckenzie, Alex, Alfie, Tom, Annie, Layla, Julia, Natalia, Ben, Jensen, Jake C and Charlie – you were an absolute joy to take out and a credit to our school. We're so proud of you all!

### Year 5 Visit to the Black Country Museum

Year 5 had an amazing day at the Black Country Museum. They had a fabulous workshop based on gases and connected to their science work back in school. The children amazed the leader with their scientific knowledge and the teachers were all very proud to hear the very positive comments from the staff at the museum about the children's behaviour and manners. Well done Year 5!
