Year 6

We hope you have enjoyed your last week at Hayes Meadow. You have all been fabulous pupils and we will miss you. Enjoy your high schools and remember to keep working hard! Good luck and best wishes for the future. From all at Hayes Meadow.

Good Luck and Goodbye

Hayes Meadow staff and pupils would like to say a huge thank you to Mrs Saleri, Mr Heath and Mrs Hill for all of their work at the school. We wish them lots of luck and best wishes for the future. Mrs Beardon and Miss Davies are also leaving us and again we wish them both best wishes in the future.

Thank you

Thank you to all of the support we have received from parents/ carers and families this year. The positive results from the parent questionnaire will be sent to the website company today to be published on our site hopefully next week. Thank you for the overwhelming response we had. We have taken on board the comments and I will be working over the summer to amend some of our policies, in particular homework in line with your comments.

Good luck to some of our pupils who are moving out of the area and to new schools. We send our best wishes to you and your family and we know you will love your new schools and make lots of new friends.

Thank you to the Friends of Hayes meadow for all of their hard work this year in raising money for the children. There have been many things they have supported such as coach fares, the climbing frame for KS2, Year Six leavers party and gifts to name a few. The events you have held have been excellent and I know the children have enjoyed them all!

The last event was today where Year Six children have planted a tree in the forest school area. This has been bought by the Friends and we hope that the Year Six children will come back and see how the tree grows in years to come.

Dates for your diary
