### Stars of the Week!

Today in assembly the teachers gave out special 'star of the week certificates' to the children to celebrate their fantastic work and achievements! Their work or certificate will appear on our celebration board in the hall this week. Well done to all our stars!

### Happy Jeans for Genes Day!

All of us here at Jeans for Genes Day want to say a massive THANK YOU for wearing your jeans today and making a donation.

Every penny you raise will help us to make a real difference to the lives of children affected by life-altering genetic disorders. With your help we can provide the vital care and support that these children and their families so urgently need.

### Hayes Meadow's 50<sup>th</sup> Birthday Celebration

This week we invited past pupils and staff to come into school for an open evening with an opportunity to look at all of the photographs over the years the school has been open. We had a lovely evening and would like to say a huge thank you to all who came along and shared your special memories with us.

## Year 2 visit to Birmingham Airport

“Yesterday was the most awesome school trip ever! When we got to school we made sure that we had

our lunch. When we got outside we went on the white, massive coach. We all got on the coach we had to put on our seat belts. Mrs Morgan checked that they were on right. Then we were ready to go. It took one hour to get there and we saw lots of signs saying Birmingham Airport. Everyone squealed because we were nearly there. Then the coach driver pulled up at Birmingham Airport. Then we all got out of the coach. Then we had to walk up ninety nine stairs.

Then we got into a special room called The Learning Hub. We put our stuff on the table and watched the aeroplanes some of them went at a forty five degree angle. Then we saw a massive plane. After that we had a snack. Once that everyone had finished we went back to arrivals and did a scavenger hunt. We all found nearly everything but we didn't find 2. Then we walked up the stairs and had our lunch in the classroom. And then designed an aeroplane and then got in the coach and went home. “ written by Lily-Grace Year 2.

### Coats and Uniform

The weather has started to change and is unpredictable at the moment. We have had a number of children coming to school without a coat. Please ensure that children bring a coat to school with them each day. There have already been a number of items of lost uniform found around school and most of them are without children's names. Could you please check your child's uniform is named including coats and jumpers, so we can return it to them if it is mislaid. Many thanks

### Earrings

Staffordshire policy is that earrings are not to be worn during PE at all. Our school policy states that earrings must be removed for PE. We would therefore kindly request that parents/ carers allow their children to have their ears pierced in the summer holidays so that this does not impact on their PE in school. Children will not be allowed to cover their ears with plasters or tape. If children have their ears pierced during term time they will not be able to take part in PE sessions until they are able to remove their earrings.
