## Behaviour

Whilst attending both clubs children are expected to

- Follow the school behaviour policy
- Use socially acceptable behaviour
- Respect one another, accepting differences without prejudice
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time in club

Positive behaviour is encouraged by

- Staff acting as role models
- Praising appropriate behaviour
- Stickers and rewards
- Informing parents of individual achievements

It is inevitable that as children develop and learn. There will be times when they need support and guidance to understand that their behaviour is not acceptable. Staff at club will try to determine the cause or triggers of inappropriate behaviour to prevent the situation from recurring, taking into account the children's ages and stages of development.

When confronted with negative behaviour staff will be clear to distinguish between

*'Disengaged behaviour', 'disruptive' and 'unacceptable' behaviour.*

**Disengaged** behaviour may indicate that a child is bored, unsettled, or unhappy. With sensitive interventions staff will be able to re-engage a child in purposeful activity.

**Disruptive** behaviour describes a child whose behaviour prevents other children from enjoying themselves. Staff will collectively discuss incidents and agree on the best way to deal with them.

**Unacceptable** behaviour refers to non-negotiable actions and may include discriminatory remarks, violence, bullying or destruction of equipment. Staff will be clear that consequences will follow from such behaviour, including in the first instance, temporarily removing a child from the activity session.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, if necessary, the child will be temporarily removed from the activity
- Staff will explain why the behaviour displayed is deemed inappropriate
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- The school's behaviour policy will be applied and incidents reported to class teacher or SLT.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- Exclusion from before and after school club
- School policies including our behaviour policy apply in the same way as they do during the main school day. We reserve the right to refuse a child who fails to meet these standards. If the behaviour of the child is unacceptable, for the safety and efficient running of the club, parents will be informed and a written warning given. Any additional unacceptable behaviour will result in the child being excluded from the club for a period of time deemed appropriate by SLT.

### First Aid

- All accidents occurring in clubs will be recorded in the accident book, accurately reported to the parents/carer upon collection and signed by a member of club staff.
- Accident records must give details of time, date and the nature of the accident and also details of the child involved, type of injury, action taken and by whom.
- All accidents are dealt with by a qualified first aider.

Parents of any child who becomes unwell during club will be contacted immediately. If a child is sent home during school hours, club will be informed of their absence. Parents/ Carers are responsible for ensuring their details are kept up to date at the Clubs.

### **Missing Children**

In the event that a child goes missing, the following procedure will be undertaken

- Senior school staff will be informed of the missing child
- Club manager will search the inside of the building and delegate an outside search of the building to another member of staff. If the child remains missing, parents and the emergency services will be contacted.

### **Uncollected Children**

If a child has not been collected by 6.00pm parents will be contacted by telephone.

The additional contacts parents have provided will be telephoned in the second instance. If these contacts are unavailable after approximately one hour, the police and Social Services will be informed.
