If you have government **free funding** we will need your **funding code** before your child starts with us and you will need to renew this code every term to ensure that the funding remains in place.

This is our usual structure, however if you have a specific requirement for hours please ask and we will try and accommodate this.

Fruit and milk are included free of charge but not the cost of lunch. You can either send a packed lunch in with your child (please note we are a nut free school, there is no cost with this option) or order a school meal at a cost of £3.25 per day.

Please note you will be charged for the sessions that you have booked as we are unable to make any reduction to your bill for absenteeism, holidays or illness due to our staffing costs.

Our wrap around provision is available for all children who attend Hayes Meadow from the age of 2 upwards. Booking is essential due to staffing and ratios.
