

Let's Get Talking

November 2024

Welcome to the 'Communication Newsletter' for Hayes Meadow Primary school.

We want to offer advice on how to support your child in developing their core communication skills.

Talking Tip!

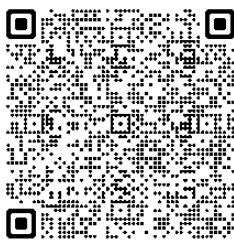

If your child mis-pronounces something, for example, "It's me turn," don't tell them they're wrong. Just remodel it and move on, "It's my turn. Well done you're right. It is your turn."

Communication Fact

Play is a really important part of children's learning and development. Children learn all kinds of skills through play; they learn how things work, how to interact and share with others and to enter a world of imagination.

Talking Task

Whilst you are walking to and from school, point out all of the different sounds and sights around you. "I can see a shiny blue car. The silver car is smaller, but the bus is bigger." "Can you hear a loud/quiet sound?" "The road sign says Spode Avenue."
