Hayes Meadow is a fantastic school. The leadership and staff have created a safe and nurturing environment for the children to learn and develop.
I really can't express how much I love this school, and I know my daughter does as well

Moved here January and he is a different child so much happier
My child has made excellent progress this year and I am looking forward to see their development next year.
Couldn't have asked for a better primary school for our daughter to attend. She has made fantastic progress from Nursery to Year 6, and will very much miss being part of Hayes Meadow.
My child is very happy. She genuinely looks forward to school every morning
I am really pleased with the progress my child has made. When concerns were raised regarding progress and ASD, referrals were made promptly and on receipt of the report, the school promptly put in place additional support and provisions. He has made incredible academic progress. I couldn't be happier.
Sometimes my child struggles socially but the school have worked really hard to help her with this. She is making excellent progress academically. Any concerns I raise are dealt with promptly. I am really pleased we made the move to Hayes Meadow.
My child has flourished at Hayes Meadow, I feel she has been well prepared for high school and I'm sure she will continue to work hard at senior school. Thankyou!
My child enjoys coming to school and seeing his friends. He speaks highly of his teachers. Thank you.
My experience of the school to date has been fantastic. My daughter is generally very happy there & has progressed lots. The school always goes over & above to organise events & it's nice as a parent to feel like part of a community.
Our experience of the nursery has been fantastic. My daughter enjoys her time there & I feel has developed in a short space of time. My only criticism would be that more information/ handover would be nice for the younger ones as she cannot tell me herself yet.
Lack of communication to parents from teacher, books that have been sent home have been too young for her reading level. But as a whole we are generally happy with the progress she has made
Thank you for looking after my child for his first year at Hayes Meadow, he is always keen to come to school and talk about his experiences. As parents we're really pleased we chose to come to you!

Thank you for your feedback and comments. We will use your comments to make further improvements to our school during the next academic year.
