	Yes		No		
15. Would you recommend this school to another parent?	154 98%		3 2%		

Additional Comments:

Been a lovely school and teachers have mentally supported my child through the years and will be forever grateful.
They go above and beyond to help and support the children and parents. Fabulous and would recommend – happy place for children to learn and grow.
All teaching staff go above and beyond.
My daughter absolutely loves nursery, she has come along so much with her speech and talking sentences now. Would be nice to have more communication.
The school is like no other school in the local area. The staff are extremely caring they all go the extra mile to ensure the children are happy and learning to the best of their ability. My daughter loves the school and has many friends. Learning here seems fun and the children all seem to want to learn. There is a lot of support from teachers daily to both parents and pupils. The school has a lovely atmosphere and my daughter has had the best year here so thank you all!
Transition into Reception was made very easy and fully supported. My daughter has enjoyed her time in Reception and is looking forward to moving into Year 1. We feel a parents evening at the end of term would have been useful to enable us to support next steps. Thank you for all of your hard work.
This is my daughter's first year at the school and I'm very impressed with the school, teachers, trips and general experience and look forward to her going through the years at this school.
Both my children have been really happy at this school. The teachers are fantastic, the resources amazing and both have made some lovely friends. Thank you for everything you all do to make the school such a wonderful place.
An amazing school that my child is very happy at.
Fabulous school – goes the extra mile.
Unfortunately, they haven't always acknowledged achievements that the children have achieved from outside of school.
Brilliant nursery
My child is happy and enjoys going to this school. All the teachers are very friendly.
Communication in Nursery and Pre-school could be improved.
All staff are lovely and have the children's best interests. I love how all teachers know each individual child's name and how they interact.
Teachers have supported my daughter with transitions and difficulties on entering school. The advice and help from Mrs Morgan with regards to autism assessment was very helpful at the beginning of the process and has provided updates and additional information as needed.
They are a big support to me and my child.
More clubs needed and more activity days.
My daughter has thrived since starting at this school, she absolutely loves it.
I think it's a wonderful school not only academically by the pastoral support is brilliant too.
Excellent, friendly school with brilliant morals and standards.
My son has really enjoyed his time at Hayes Meadow – I think in terms of constructive feedback, it would be good to have a bigger range of after school clubs.
I would and have recommended Hayes Meadow to lots of parents. The change in my daughter since she joined is mind blowing. Her behaviour, her school work, her confidence and overall happiness have improved 110% and I can't thank the teachers and staff enough – thank you.
Only thing that would be nice to see more of is a variety of after school activities not just related to sports.
A communication APP would be helpful.

Thank you for your feedback and comments. We will use your comments to make further improvements to our school during the next academic year.
