Additional Comments:

Fantastic school and amazing staff, would highly recommend.
All staff take their time to know each and every child and go above and beyond!
Would really like the chance of a parents evening at the end of the year and advice on how to prepare for the following term.
My child is unhappy with friendship groups but overall happy with the school.
Another year of my daughter being at the school and doing really well. She never dreads going to school and if anything wants to go during the holidays! It would be nice to see maybe more options of after school clubs.
Great school very supportive.
Hayes Meadow is a fantastic school. The Head Teacher and all the staff are just amazing with the children and offer a wide range of activities. Both my children have been very happy at the school. Highly recommend to others.
My daughter love Hayes Meadow and always look forward to going to school. I'm very happy with all the teachers and feel the amount of work given to her is the right amount for her age so she doesn't feel under pressure.
Very happy with Hayes Meadow and all teachers we have met. All the learning provided has been brilliant.
Thank you for your support!
Extremely supportive school both to pupils and parents.
Fantastic school and brilliant staff. Very caring and great communication.
My child struggled to start nursery due to separation issues. The nursery staff helped so much to make this easier.
Staff are friendly and polite and have time for parents if needed.
really attentive. I feel like my son has learned so much since he started this year. His reading is superb as well as his writing and maths. He feels really happy and settled at the school and especially loves his teacher.
My daughter loves coming to school and has formed excellent relationships with her teachers, TAs and the after school club team. She is thriving in her learning and she has grown in confidence and I am so pleased with her progress and the opportunities she has had in enrichment beyond the classroom.
My daughter loves coming to school. There is a lovely atmosphere in the school and Christmas and summer fayre is lovely. Never expect parents to keep sending in money for different activities. Thank you for giving my daughter the best 3 years so far and she's only 5!
My son came to this school with no confidence after being at previous schools. He has only been at Hayes meadow for 4 weeks and is a completely different child. He's so much happier and content and is finding his feet. This school have just accepted him for who he is and made him so comfortable just being himself. This school has the best support system for both of my children and I'm so excited to see the progress they continue to make.
