

Reception learning

Our topic this term is About Me!

We will be

exploring our new classroom and routines in week 1 and week 2. We will be learning about ourselves and how incredible we are, as well as sharing stories about our families and home life. We will be exploring how creative we can be and learning the importance of taking pride and ownership in our work. We will also be exploring stories written by Julia Donaldson.

As we move through the term we will also be observing, discussing and recording our observations about the seasons and the changes we see outside.

Below outlines how the topic links to the EYFS curriculum.

COMMUNICATION & LANGUAGE Children will learn to understand how to listen carefully and why listening is important. They will learn new vocabulary and learn how to use it through the day. Children will begin to engage in story times as well as listen to and talk about stories to build familiarity and understanding.

PERSONAL, SOCIAL & EMOTIONAL DEVELOPMENT Children will settle in and learn our routines and rules. Children will make new friends. Children will be confident to try new activities. Children will be able to build constructive relationships. They will see themselves as a valuable individual, being able to express their feelings and consider the feelings of others.

PHYSICAL DEVELOPMENT Children will revise and refine the fundamental movement skills they have already acquired: - rolling - walking - running - skipping - crawling - jumping - hopping - climbing and progress towards a more fluent style of moving, with developing control and grace. They will use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.

MATHS Children will count objects, actions and sounds, linking number symbol with its cardinal number value. They will perceptually subitise and be able to count to 10 and beyond.

LITERACY Through our phonics programme children will learn to read individual letters by saying the sounds for them. They will blend sounds into words, so that they can read short words made up of known letter-sound correspondences. Children will read some letter groups that each represent one sound and say sounds for them.

UNDERSTANDING THE WORLD Children will be confident to talk about members of their immediate family and community. They will explore the natural world around them, describing what they hear, see and feel while outside.

EXPRESSIVE ARTS AND DESIGN Children will explore, use and refine a variety of artistic effects to express their ideas and feelings.

Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills.

Help at home

We hope that your child enjoys sharing books at home. We have sent your child home with a book that matches their current reading ability. Please ensure that this book and diary is brought back to school each week and we will change it for a new book every **Tuesday** and **Friday**. Please take time to read the book with your child and talk about the story and characters. Every day you read with your child they will get a point towards their next rainbow reader badge!

CBeebies Storytime app

BookTrust website

Bedtime stories

We will also be sending home our bedtime story sacks in the coming weeks. Please also return these on a **Tuesday** and **Friday** and we will change these books.
