

Hello,

It has been lovely getting to know you at our transition sessions. I hope you have a great summer holiday. Please have a read through our newsletter and phonics booklets, these will give you an idea of what we will be learning about in the Autumn term.

In readiness for September, here are a few challenges for over the summer holidays:

- Can you take a picture of your family?
Bring this in September as we will talking about our families.

- Have a go at writing your name. How creative can you be? (Write it, paint it, make it out of stones....)

- Share some bedtime stories with an adult.
Have you got a favourite?
- Have fun!

I can't wait to see you in September

Mrs Jones

P.S. Don't forget to sprinkle your confetti the night before you start school.
